Original Words by Rev. Frederick Douglass KirkPatrick and Jimmy Collier

Everybody's got a right to live
Everybody's got a right to live
And before this campaign fails
We'll all go down to jail
Everybody's got a right to live

We are down in Washington,
Feeling mighty sad,*
Thinking bout an income
That we never had. pay [*Chorus*]

Now a'look here Congress,
This is a brand new day:
No more full-time work,
And no more part-time pay [*Chorus*]

No more some be rich
While others be dirt poor,
All around the world
We say, Poverty No More! pay [*Chorus*]

We haven't got much time left;
The sands are running out.
"Peace, Justice Freedom,"
You can hear the whole world shout! pay [*Chorus*]

Everybody's got a right to live
