

I'm gonna walk it with you

Music and Words by Brian Clafin and Ellie Grace, 2016

Swing rhythm

Well, it looks like you might have a hard road, but I'm gon-na walk it with you. And it
looks like you might have a heav - y load, but I can car-ry some too.
I will lift you up when they push you down, I will raise my voice and stand my ground.
Well, it looks like it might be a hard road, but I'm gon-na walk it with you.

Well, it looks like it might be a hard road,
But I'm gonna walk it with you;
And I know you might have a heavy load,
But I can carry some too.

I will lift you up when they push you down,
I will raise my voice and stand my ground;
Well, it looks like it might be a hard road,
But I'm gonna walk it with you.

Well, it looks like it might be a long night,
But I ain't goin' nowhere.
And I know it's gonna be a hard fight,
But I will stay right here.

I will shine a light in the darkest hour,
I will face the man in the tallest tower.
Well, it looks like it might be a long night,
But I ain't goin' nowhere.

I will work! I will fight!
I will strive in the name of love.
I will speak! I will shout!
I will sing it to the skies above.

Well, it looks like it might be a perilous climb,
But I will follow your lead;
And I know it might be a long time,
Until the last one of us is freed;

But I will hold on tight, stay by your side,
I will be with you for this whole damn ride;
Well, it looks like it might be a perilous climb,
But I will follow your lead.

Well, it looks like it might be a hard road,
But I'm gonna walk it with you;
And I know you might have a heavy load,
But I can carry some too.

I will lift you up when they push you down,
I will raise my voice and stand my ground;
Well, it looks like it might be a hard road,
But I'm gonna walk it with you,
I'm gonna walk it with you,

I'm gonna walk it with you,
I will walk! I will climb!

Shine my light the whole night through,
Because it looks like it might be a hard road,
But I'm gonna walk it with you.

Ellie Grace and Brian Clafin singing
I'm gonna walk it with you
