

Pay Me My Money Down

I thought I heard the cap-tain say, Pay me my mo-ney down, To -
mor - row we're gonna sail a - way, - Pay me my mo-ney down.

Chorus
Pay me, pay me, Pay me my mo-ney down, Pay
me or go to jail, — Pay me my mo-ney down. —

This is a great call and response song and it's really easy to make up new lyrics. Here are some that I wrote, but you should definitely write your own!

Chorus

*Pay me, pay me,
Pay me my money down,
Pay me, pay me,
Pay me my money down.*

I thought I heard the President say,
Pay me my money down,
Social Security's here to stay.
Pay me my money down [Chorus]

He swore he'd defend the Constitution,
Pay me my money down,
Then set Elon Musk to exact retribution,
Pay me my money down. [Chorus]

Well, Elon Musk with his chain saw,
Pay me my money down,
He stole my money and he broke the law,
Pay me my money down. [Chorus]

They cut off U-S-A-I-D,
Pay me my money down,
Now Donald says, "That ain't on me!"
Pay me my money down. [Chorus]

And the ICE-man took me from my street,
Pay me my money down,
Now I got no mattress and I got no sheet,
Pay me my money down. [Chorus]

If you tell Donald Trump his word ain't law,
Pay me my money down,
He'll throw his dinner up on the wall,
Pay me my money down. [Chorus]

Yes, he's a moron, and | that's for certain,
Pay me my money down,
I'd say Putin is behind the curtain,
Pay me my money down. [Chorus]

When | Donald Trump is finally out,
Pay me my money down,
I'll spend my money and I'll sing and shout,
Pay me my money down. [Chorus]

This is a harmonization that I wrote out one day; but it's a starting point. If you are good at Dixieland Jazz, or anything like that, the possibilities are endless. Below is a thought (borrowed from Bruce Springsteen's band) that I had for a bass line...

Idea for Bass improv. (staccato)
